

Program Calendar

The program operates on the same extended year calendar as Argonne Elementary. Summer session is open to grades 1-5 only. Please contact any program officer for more information.

Donation

As the program is entirely non-profit, collected program fees are determined by the teacher's salaries, liability insurance and supplies only. Any contribution is welcomed and much needed to further enrich program curriculum and special projects.

Please contact any program officer for more information or to make a donation.

Program Registration Info:

- Argonne's Chinese After School Program (CASP) provides Mandarin or Cantonese language instruction classes for Argonne students grade K-5.
- CASP accepts applications year round. Applications for wait listed students will be kept on file pending future openings.
- CASP is parent-run and relies heavily on volunteers.
- Family participation will be weighed heavily for enrollment consideration.
- Each family is committed to 10 volunteer hours upon program enrollment.
- Additional fees will be assessed for any unmet volunteer hours at \$10 per missed hour.
- Each family is required to attend 5 mandatory program meetings per enrolled school year. Attendance counts towards the volunteer hours requirement.

Argonne's Chinese After School Program

The program has been designed to offer children the opportunity to develop proficiency in Chinese as a second language. We also provide enrichment in the areas of Chinese language, customs, and cultures through art, songs, stories, cooking, etc. to further enhance the curriculum.

The Argonne Chinese After School Program was founded and established by parents in 1999. The program provides the Argonne community with an opportunity to learn Chinese language and culture. The program operates within guidelines set by the School Parent Teacher Organization (PTO), a not-for-profit organization with the 501(c) (3) status.
