PRINCIPAL'S CORNER

Dear Argonne Community,

Starting with the 2019-20 school year, Argonne parents will be asked to sign up for a new family portal provided by SFUSD. **Family Portal** will track your child's grades and attendance and provide important messages in one place. Each parent will receive an invitation with a personal login and instructions in the Tuesday folder.

Please sign up as soon as you can so you can begin to take advantage of this important resource! If you do not receive your invitation or if you have any questions please contact me.

Thank you!
Principal Catingub

New Argonne Communications App Coming in July 2019!

The Argonne PTO is switching to an online communication app called Konstella in July 2019. The launch will coincide with the start of summer session because students are organized by classroom.

Why are we switching?

- Konstella is an online tool **specifically** designed for parent teacher organizations.
- Konstella will help centralize and streamline communications, increase volunteerism, and foster a close-knit parent community accessible to all.

What does this mean for Argonne Parents?

- Konstella will replace Shutterfly Share Sites for room parent communications.
- Konstella will replace Google Groups for school-wide communications.

What can Argonne Parents do to prepare for the Konstella launch?

1. Visit Argonnesf.org/konstella to learn more or visit <https://www.konstella.com/p/argonne> to request to join
2. Volunteer to be a Konstella Administrator by emailing communications@argonnesf.org
