

Argonne Elementary School PTO Konstella Community Guidelines

Purpose: The purpose of Konstella is to provide an online community for parents and families at Argonne Elementary School.

Goal: Our goal is to share Argonne PTO information, class information from room parents, and update the Argonne community on events and programs.

Community Rules

We encourage you to ask questions and share information. We request that you keep discussions focused directly concerning our school PTO community and your child's classroom activities. If you have a question for your child's teacher, please contact the teacher directly using School Messenger, their SFUSD email address, or provided phone number.

You can post and share photos of your children at school events in the classroom groups. If you have any questions about posting a particular photo, please check with the Konstella administrator or the classroom parent. We request that you keep all photos confidential within our community as some families have requested that their child is not photographed or videotaped.

Do not post about concerns, problems, or conflicts with individual teachers, administrators, students, or parents. We will immediately delete posts that in any way put down or discriminate against individuals.

When posting, please use appropriate language. Children can see our page (or group).

Online threats will not be tolerated.

Any inflammatory statements that make allegations against individuals or organizations will be deleted.

Do not post information commonly understood as confidential.

Keep in mind what you post is public information.

Any advertising for businesses or selling personal items is not allowed.

The PTO board and Konstella administrators reserve the right to delete comments and block users who are not following the rules stated above.
